**FILED**

OCT 20 2005

INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

On October 19, 2005, Petitioner Valley Rural Utility Company ("VRUC") filed its *Request for Further Order of the Commission* ("Request.") In its Request, VRUC asked that the Presiding Officers issue a specific order to Respondent Greendale to comply with still-outstanding discovery requests. In support of its Request, VRUC stated that settlement had not occurred between the parties, Greendale had not fully complied with the Presiding Officers' previous order compelling answers, and that VRUC's ability to prepare for the October 28, 2005 hearing was compromised by the absence of such discovery.

The Presiding Officers, having reviewed VRUC's Request, and being duly advised in the premises, hereby hold as follows:

VRUC's Request is GRANTED. Greendale shall fully comply with the Presiding Officers' order and fully answer the questions of VRUC's Third Data Request as set forth in the Motion to Compel of August 3, 2005.

**IT IS SO ORDERED.**
